MONITOR TWP. — Bay County children had the chance to win bicycles and school supplies today as they got their medical and dental examinations during Health Delivery, Inc.'s Back to School Health Round Up Fair.

Fifty-five children came through the event between 10 a.m. and noon for their necessary medical check-ups and the chance to win one of 23 new bicycles and 20 backpacks filled with school supplies.

"The fair gives children something fun to do while they wait to have their examinations," said Becky Demers, dental services director of Health Delivery, Inc.

Four-year-old Lyric West came in for a check-up, but left with a yellow Rallye Decoder bike.

"I picked this one because I like it better than my bike," said West, son of Patrick West, 38 of Bay City.

Representatives from the American Red Cross, Molina Health Care, Great Lakes Health Care and others attended the fair to hand out free popcorn, cotton candy, educational brochures and offer face painting.

Health Delivery, Inc. services more than 45,000 Michigan patients a year, regardless of health insurance status.
