

Sorting through Annual Wellness Visits *versus* Preventive Services *versus* Initial Preventive Physical Examination

About the Webinar

Michigan Community Health Center billing staff and healthcare providers are encouraged to participate in this webinar to learn the difference between Preventive Medicine Services, the Medicare Annual Wellness Visit (AWV), and the Medicare Initial Preventive Physical Examination (IPPE). Jeanne P. Rutledge, CPC, Chief Executive Officer of Medical Management Systems of Michigan, Inc. will:

- Provide the specific definitions and differences between these CPT/HCPCS codes
- Review the requirements and documentation of the Preventive Medicine Services
- Review what Medicare lists as the key elements of the AWV
- Review the seven components of the Medicare IPPE

Participants will learn information that will be helpful in determining when to use the specific HCPCS codes as well as what combinations of codes can be billed together. Modifiers for use with the HCPCS codes as well as diagnostic coding will also be covered. Information relevant to all audiences will be presented first, followed by specific billing/coding information. There will also be an opportunity ask questions.
